

### **Churchdown Club and Bar August Newsletter**

Hopefully you have all been enjoying a lovely summer and with those of you with children on school summer holidays, you deserve a drink!!!

A long August bank holiday is coming up, we have our regular Friday night quiz tonight, live music with Greg Winters, performing a mixture of Rock, Pop and Country. Greg will be playing from 8.30pm on Saturday. Sunday we will be open late with the BBQ on at 1pm and 5pm, there will also be some drinks offers so pop by!!

As the weather looks fine Pimms will be served all Saturday afternoon while Churchdown Village Bowls Club challenge the team from Dowty's, come along and watch the match!

Later in September we have a 'bottomless Prosecco and pints' afternoon in collaboration with Delipizza. Book in on Saturday 17 September between 4-6pm and enjoy bottomless Prosecco or a chosen ale. Booking is essential and the cost is £25. More dates to be announced!!

Currently our skittle alley is closed as it is being redecorated, it will open in time for our winter skittles league games and anyone wishing to hire the alley can do so by booking in at the bar (there is no charge for members hiring the alley or function room, so make the most of your membership!!)

Finally, we are pleased to update members that we have a completed lease with our neighbours Spicy Aroma and we look forward to continuing to work together for the next 5 years.
