

## December update

Thank you to all those who supported us over our first weekend reopening in tier 2, we really appreciate it!!

Preparing for this weekend we have the same opening times (please see below) we are serving from our home cooked food menu with a variety of meal options and special offers to suit all appetites and we are still offering pizzas as a takeaway option on Friday and Saturday and roast on Sunday. Attached are our current sample menus.

### **Opening times this week:**

Friday 10-2pm, reopening 5-10pm

Saturday 11-10pm

Sunday 12-6pm

Tier 2 is new for us so please bear with us as we get used to the adjustments and ask you to abide by the rules. One main change this week is that we would highly recommend booking in order to secure a table booking on Friday and Saturday, booking on Sunday is **essential** so please let us know via email, Facebook or phoning 07922 883145.

We know it's hard to plan for the festive period at the moment but we thought it important to give you some options and will continue to keep you updated.

And finally in the absence of an AGM this year may we direct you to the documents section of our website where the most recent years accounts can be found. Any questions relating to these please contact the committee via email: [cclub.secretary@btconnect.com](mailto:cclub.secretary@btconnect.com) or as a letter addressed to the committee.
