### Churchdown Club July Newsletter

The main part of this July newsletter as I am sure you are all aware is that the Covid restrictions have lifted today, Monday 19 July, for hospitality venues this means that we can return to a bar service and the safety measures we have had in place will no longer be essential. As a business we have worked very hard since our initial reopening last July, it has been a rather bumpy journey with enforced closures along the way but we can look ahead now whilst continuing to look out for each other, as a result of this you will still see sanitation stations and plenty of cleaning taking place, track and trace QR code will remain as an option and whenever practical table service will stay as an option as we think many of you appreciate this, masks will be optional for yourselves and our staff.

Another measure we have reviewed is our opening times, starting from Wednesday 21st our regular opening times will be:

Wednesday 5pm-11pm

Thursday 6pm-11pm

Friday 3pm-11.30pm

Saturday midday-11.30pm

Sunday midday-7pm

These times will be reviewed as we head into the Autumn.

Up until now to minimise contact we have encouraged contactless payments and asked if you have renewed or have current membership. We continue to welcome non members but if your card has expired we will ask you to renew which is easily done at the bar,

Not a member? take advantage of our mid-year membership reduction from mid July onwards!!

We have much to look forward to over the summer, mainly our centenary weekend on August bank holiday weekend 27-30 August (more to follow shortly), monthly 'bottomless' afternoon teas, the next available to book on Saturday 21 August and 18 September! Both will be supported by Glos Excelsior band. Visiting with the kids? check out our new kids corner with plenty of colouring, games and some outdoor games such as giant jenga and 4-in-a-row.

Finally, social media is a good way to keep yourself up to date with our events (Facebook and Instagram) the Facebook page links directly through to our website. You will find more information on our website, such as function room hire, our committee minutes are also published on the website.

We look forward to seeing you over the summer!!
