Following the success and positive feedback from the recent MacMillan coffee morning – (on the final count we raised over £400 all for MacMillan) we would love to introduce a **regular monthly coffee morning** with a couple of these each year raising money for a charity. This month on **Friday 13th** we will be hosting a coffee morning through to afternoon tea from 11am until 3pm! pop along for a coffee and a slice of cake or upgrade to a delicious afternoon cream tea!! (please book in for a cream tea as we do make our scones fresh for you!!)

Look out for announcements for festive afternoon teas coming soon!!

Saturday 21st November – Rock and Roll Bingo!! Play as a team or play alone, there are amazing prizes to be won at a musical bingo event!!

On **Friday 27th and Saturday 28th November** – we are offering a cheese and wine event, grab a friend and enjoy an early festive catch-up over a bottle of wine and cheeseboard for two!!!

Looking ahead to December we will shortly have dates announced for festive afternoon teas and Christmas lunches!!

Finally, please contact us if you are looking for a venue to hold a socially distanced gathering over the festive period. We are fortunate at Churchdown Club to have our fantastic function room where we are able to set up maximum table sizes of 6 and look after you, whether a served meal or perhaps an afternoon tea.

Thank you to all of our customers who have been in to see us over the last month, we are all on a learning curve in these strange times, so please continue to look after each other and our staff, use the NHS Track and Trace App if you are able to and if not pass your details to our friendly bar team, please wear a face covering upon arrival and when moving around inside the Club, observing the one way system to enter and leave, if you have any queries, need any help at all or even find upon arrival you have forgotten your mask you will always find a member of the bar team around to help you.

Best Wishes

From the staff and committee at Churchdown Club.
