**Handyman & bar staff:** We are looking for a (approx.) 10 hour a week handyperson to take on some jobs and to help with the upkeep of the Club once the refurbishments are

completed – please email your interest. Additionally, we are continuing to look for casual staff to help out behind the bar and kitchen, duties may include waitressing, and food preparation in the kitchen, as a result a food hygiene certificate would be desirable, again please email or pass onto relatives who may be interested in some casual employment.

**Budding Bingo caller?** Very generously we had the offer from Alan to host a ‘pub quiz’ for us a few months ago and it has been a great success, sometimes getting rather competitive. We are looking for someone to help us out as a bingo caller on the second Friday of every month, this would of course be in return for a pint or two, please email if you would like to take this on (it could even be done on a rota basis)

Thank you for taking the time to read the November newsletter, any feedback as always is welcome.

See you all over the festive period. The staff and Committee at Churchdown Club.
