

Churchdown Club Summer Newsletter

Wow, May was a great month with the Coronation weekend and the Folk and Ale Festival, it has been great to see so many people visiting the Club, including lots of new faces!

The weather has been lovely recently so our outside space has been put to good use. Just a polite reminder that there is no smoking on the artificial grass/bench seating, the designated smoking area is by the steps heading back into the club.

From 1 July we will be offering half price Club membership for the rest of the year – tell your friends! Membership is a great way to save up to 50p per drink.

Welcome to all our summer skittles league players playing Monday – Thursday in the skittle alley.

Fun bowls sessions continue out on the green every Friday from 5.30, you don't need any equipment, just a flat pair of shoes and anyone is welcome to come along and 'have a go'

Monthly quiz takes place on the last Friday of every month, a great night with a couple of hours of brain testers, just £1 to enter but make sure you come along early as tables fill up quickly. If you arrive early remember you can always order from Delipizza and bring your pizzas and sides into the Club – they give you a buzzer to take to your table so you know when your food is ready!!

Dates for the diary:

Friday 30 June – QUIZ night!!

Saturday 8 July – LIVE music with Make Mine A Double

Saturday 5 August LIVE music with Tumbling Down

Friday 25 – Sunday 27 August: Cider Festival – LIVE music throughout the weekend!

Saturday 9 September – LIVE music with Over The Hill

Saturday 7 October LIVE music with The Masterplan

We recently ran a fun karaoke night/disco and are hoping to run these quarterly throughout the year so keep a look out for an Autumn date.

We have had some sold out weekends for Sunday roasts recently so booking is recommended!! Please note there will be no roasts on Sunday 23 and 30 July while the ladies in the kitchen take their summer holiday!

A major development which we hope will benefit many in the club plus our wider community is that we now officially have a planning application in to provide access for all to the Club. This can be viewed on the Tewkesbury planning portal and we would appreciate any support towards this application. Should this application be successful then your support will be even more vital as we commence a fundraising campaign to support the project – a massive milestone I am sure you will agree!!!

As always we value your feedback so if you please have anything either positive or constructive to add please email cclub.secretary@btconnect.com where your email will be picked up and discussed at our next monthly committee meeting. This is the best way to contact any members of the committee.

Have a lovely summer and see you soon!

The Management and Committee at Churchdown Club
